

Glide®

par by Zestra

Intimate lubricant

DESCRIPTION:

Glide® by Zestra® is a medical grade water-based lubricant that offers a pleasant feel.

New on the Canadian market, Glide® is greatly appreciated by women and men around. Manufactured by the makers of Zestra®, Glide® gives you a helping hand when it comes to lubrication.

With its high viscosity, low osmolality and soft pH, Glide® respects the vaginal pH to provide superior lubrication.

This product does not contain paraben, is preservative-free and perfume-free.

Water-based lubricants are highly recommended for sensitive skin.

***Leave your dryness,
pain and discomfort behind you.***
